

**Dear Students!**

Everybody, who will graduate in this spring semester, needs a certificate from the university library about librarian debt. In view of the epidemiological situation, a temporary procedure will be introduced.

According to this, library staff will send an email notification by **May 12** to all students who have loaned library documents. They also provide information on how documents can be returned. In this situation, late fees will be canceled. Please adhere the deadline.

**The deadline for returning the borrowed documents is May 22.**

Anyone who does not have a library debt or library membership has nothing to do to get the certification.

29.04.2020

Best regards,

SZIU University Library and Archives
